

Rosary & Concert for Life

featuring music, prayer and personal testimony by

Gretchen Harris & Donna Lee

Unity Award winners Donna Lee and Gretchen Harris from Southern California have been involved in music ministry for many years and have teamed up to present a special 90-minute concert that promotes life. Each shares their own personal story that touches on the topic of life from roads they have both traveled. They have teamed up many times, performing across the country, from San Diego to San Antonio, Texas to Boston, Massachusetts. Their concert includes music, prayer, testimony, a video presentation, and can also involve members of your parish choir, childrens choir, your pastor and liturgical dance ministry.
